Create a work environment that matches your unique approach—whether you're driven by dynamism and innovation or prefer to follow traditional standards. The SETUP furniture line offers not only work desks but also a wide range of versatile storage solutions. We believe that every space is unique—just like the expectations of the people who work in it. That's why each element in the collection is designed to function both as a standalone piece or as part of a comprehensive solution.

COMBINE, CREATE, TRANSFORM

Combine and match desks with any type of legs (A, O, U) and design configurations that fit your needs perfectly. You can complement your setup with a smart storage system. Choose from cabinets in 5 height options through mobile containers to wall-mounted shelves or modern lockers. Experiment, explore, and change. SETUP adapts to every idea.

The system speaks the language of minimalism and attention to detail — from soft-closing loaded doors and subtle handles to perfectly crafted ABS edges. It naturally integrates with our other furniture lines like TAK and MOVE ME. Because we believe true beauty lies in simplicity and elegant details.

TEAM INSPIRATION

In this catalogue, you're not just choosing office furniture. You decide what kind of atmosphere your team will work in. And as everyone works in their own way, we've designed four distinct environments to reflect your team's character — from dynamic and innovative to more traditional styles.

Unconventional Crew

Just as every work of art begins on a blank canvas, a minimalist space inspires creative thinking. The combination of soft colors, earthy tones and sustainable materials creates a calm atmosphere where unconventional ideas are born.

- Sand Barbera Oak
- Cool Grey
- Pastel Green
- Smoke Green
- Steel / Anthracite
- Felt / Terracotta
- Upholstery Fabric

MINIMAL

Traditional Team

If you're looking for furniture that endures over time while bringing a fresh touch to traditional spaces, this style is the perfect choice. Liven up corporate greyness with smart modular furniture that, crafted with care and precision, delivers exactly what you expect from your environment — functionality, interesting details, and lasting reliability.

- Sand Barbera Oak
- Pearl White
- Cool Grey
- Clay Grey
- Steel / Anthracite
- Felt / Terracotta
- Upholstery Fabric

Passion-Driven Unit

The mindset of success in its purest form. Collaboration among individuals striving for constant improvement requires patience and space — for personal creation as well as sharing ideas within the team. Thanks to precisely designed furniture, you can create a balance that becomes the driving force of the entire team while bold colors amplify the vibrant energy of the collective.

- Sand Barbera Oak
- Alby Blue
- Toffee
- Ceramic Red
- Dusk Blue
- Steel / Anthracite

Hi-Tech Hub

Give talents the space, and they will create something extraordinary. Where technology takes center stage, furniture must be above all functional perfectly tailored to everyone. This is where innovative solutions with the power to change the world are born. Take advantage of the versatility of our collection and to design a space for ultimate focus. Brought to life through a sophisticated blend of black, blue, and brown.

-  Caramel Franklin Walnut
-  Clay Grey
-  Alby Blue
-  Steel / Black
-  Felt / Charcoal

Profil nábytek

Your workspace should be more than just a place to work. It should be a place that defines and inspires you. The SETUP collection is designed around the core principles of modularity, flexibility, and functionality. We believe that change is an essential part of the creative process, so our collection is built to be easily reshaped as your needs evolve.
